CERTIFICATE OF COMPLETION

Briantria Evans Smocks

has successfully completed dyslexia training as part of the required course work in EDU 5349. This training utilized the video "The Big Picture: Rethinking Dyslexia" followed by a post-test. The focus of this training was understanding the varied facets of dyslexia as well as understanding the needs of dyslexic students. Strategies for educators to use in the classroom were included in the training. Training was completed on November 11, 2014.
